Sun Safety

Come join RIC nursing students for a fun filled sun safety event at the Hope Library on Thursday, April 14th at

3:30pm. Learn about how to protect your skin this summer and enter a raffle for a chance to win a prize! Refreshments will be served and children will have chance to participate in sun safety activities. Anyone is welcome to attend.

Survey Works!

All families should have received their *Survey Works!* access code and the link to the corresponding survey. The survey presents an ideal opportunity for the voices of participants to be heard, their opinions to be documented, and their ideas to be considered. Please complete this very important survey on or before April 15th. If you would like a paper copy, please let Ms. Mowry know.

Field Day Volunteers

Along with today's newsletter you should have received a sign up sheet for field day. This year we are requesting everyone that is interested in volunteering to respond by Friday, April 15th. We will not be able to contact people at the last minute this year due to the BCI requirements. This event is one of the highlights of the school year for our students. We will do our best not to have to cancel or modify this day.

PLEASE NOTE: DATE HAS BEEN CHANGED TO FRIDAY, MAY 20TH.

Many students have filled the buckets of others with caring acts of kindness all month long!

- Take care of your own business. Don't make others do what you are supposed to do.
- Take responsibility for your actions; don't make excuses or blame others.
