Mark Your Calendars!

Hope School's Field Day is scheduled for Friday, June 4th with a rain date of Monday, June 7th. Again we will be looking for many parent volunteers. More information will follow.

Young Authors

Many of our students are busy writing this year's Young Author's books at school and at home. Our PTA has generously donated a hard cover book to each child for the creation of their "best sellers". Students that have completed a book in every grade will be awarded a special prize in fifth grade.

**Books must be submitted by Friday,
February 12th.**

They will be on display at the Hope Public Library during winter vacation. The Annual Young Author's Celebration will be held in the Scituate High School Auditorium on Friday, March 26th. Every child that submits a book will be awarded a special medal of honor.

PTA

Dates for the next meetings:

- Monday, April 5
- Monday, June 7

Meetings are held at 6:30 PM in the Hope School Library. Please contact Mrs. Morton if you need childcare. Everyone had a great time at the Providence Bruins game! Congratulations to the Hill family for winning a gift card to Pizzeria Uno and four free tickets to another hockey game. Thanks to the PTA for providing Borders gift cards to the grade level Spelling Bee winners. The spring HEP programs have begun. Our children are enjoying the opportunity to join with their friends in these extra-curricular activities. Thanks to Alayna Berek for organizing this program!

Talent Show

The annual Hope School Talent Show will be held this Friday at 7:00 PM in the Scituate High School Auditorium. Those students that are participating need to report at 6:40. A rehearsal is scheduled from 3:00-4:30 in the Hope School gym Thursday, February 4th.

This event is always lots of fun! We hope to see many of you there even if your child is too shy to perform.

Student Council

The Student Council would like to thank everyone that donated to the American Red Cross during our "Hat Day" on February 22nd. We collected over \$400 to help the victims of the Haitian Earthquake.

**Our next Learning Celebration is
Thursday, February 11th at 10:00.**

Come and celebrate our
100th day of school at this event!
