Fall 2011

---

---

**W**elcome to the Scituate Middle School Student Council.

This year at Scituate Middle School (SMS) will be an exciting year! Academics, sports, clubs and other extracurricular activities will keep all of us very busy. The SMS Student Council will be hosting numerous social and community based events for you to participate in. Some of the things that Student Council assists in are:

- Bringing cultural arts programs to the school
- Funding field trips
- Raising money for community service projects
- Sponsoring school dances
- Creating leadership opportunities for students in the school community

**F**or the past three years SMS has participated in the Pennies for Patients Program to raise money for research to help fight Leukemia and Lymphoma. Children and their families

here in Rhode Island benefit from this program. Some of the money is used to help offset medical bills. The students were really excited about helping children with blood diseases in Rhode Island. **The school community and**

**families raised over \$3,000.00.** Let's see if we can surpass this goal this year!!

If you are interested in being a part of the SMS Student Council, please attend a meeting! Student Council is a great way to get involved with your school and local community and make new friends. **Many of the events that you volunteer for will contribute to your Jr. National Honor Society community service hours.**

All SMS students are welcome to participate. Meetings will be held on the **first Wednesday of the month in E4** unless otherwise specified. Some months we may have more than one meeting. The meeting will be announced during morning announcements. I will also try to post it on the website.
